U.S. Department of Veterans Affairs: 2015 TCF List of Locations for VA Careers

How to Find Job Announcements and Apply

VHA offers a designated number of TCF Program positions each year, for 2015 there are 300 positions available. Job opportunities will be posted at various times in various locations (February -September), there is not one set date for job announcements at all locations. Selected locations are listed above and will also be on the VA Careers link , keep an eye out on www.vacareers.va.gov for specific job postings and instruction for applying online for individual positions. To find job postings, go directly to the Job Search feature at http://www.vacareers.va.gov/job-search/index.asp. From there you can search by Keyword (i.e., TCF, Pathways Recent Graduate), Occupation or Location.

Trainees selected for positions will begin working after June 1 but no later than September 30, 2015. Selection of trainees follows the federal governments Office of Personnel Management (OPM) hiring standards.   Trainees can be hired at the 5 or 7 level (GS-9 only for Leadership Level trainees), salary tables can be viewed on the OPM website at http://www.opm.gov/oca/11tables/index.asp. Beginning grades can vary across the country and are typically dependent on education level and experience in the field of interest.
